NOTE FOR THE IG

Don:

By all means, let's arrange for the IG to use his discretion in grievance cases and to take action as and when he sees fit. Would it be an inconvenience if the IG were to make a quarterly or semi-annual report to me and the DCI which would wrap up all such cases?

As for grievances which the IG believes should be surfaced upward, please send them to me and I will take on the responsibility of involving the DCI and keeping him informed as circumstances require.
